23 Civ. 6884 (AT)

**ORDER**

The Court has reviewed the parties' joint letter and proposed case management plan. ECF Nos. 15, 15-1. The case management plan does not indicate whether the parties consent to conducting all proceedings before a magistrate judge and whether the case is to be tried before a jury. ECF No. 15-1 ¶¶ 1-2.

The case management plan also requires the parties to discuss settlement following the close of fact discovery. *Id.* ¶ 9. However, the parties have not completed Paragraph 10 of the proposed case management plan, which requires the parties to propose a mechanism and timing for alternative dispute resolution.

Accordingly, by **November 30, 2023**, the parties shall submit a revised proposed case management plan.

SO ORDERED.
